

## Reaction to past AHTEG work

1. The COP-MOP (we) appreciates the AHTEG work
2. We support what they propose regarding further guidance
3. We support what they propose on technical notes

## Reaction to past AHTEG work

Paragraphs 1 to 3

### Proposed future AHTEG work and how to support it

4. We establish a new AHTEG with ToR in Annex I
5. We ask Parties, other governments, IPLC's and relevant organization to submit information to support the work
6. We extend the Online Forum to support the work

## Reaction to past AHTEG work

Paragraphs 1 to 3

### Proposed future AHTEG work and how to support it

4. We establish a new AHTEG with ToR in Annex I
5. We ask Parties, other governments, IPLC's and relevant organization to submit information to support the work
6. We extend the Online Forum to support the work

#### **Annex I – ToR AHTEG**

1. Scope of the work
  - (a) Composition and selection process
  - (b) When to do the work (2 meetings + in-between)
  - (c) Draft the additional voluntary guidance materials
  - (d) Develop the draft technical notes
2. Use the information gathered under paras 5 and 6
3. Avoid duplication with other organizations

## Reaction to past AHTEG work

Paragraphs 1 to 3

## Proposed future AHTEG work and how to support it

Paragraphs 4 to 6

Annex I – ToR  
AHTEG

## Continuation of the 9/13 process

7. We continue the 9/13 process during COP-MOP 13

## Reaction to past AHTEG work

Paragraphs 1 to 3

## Proposed future AHTEG work and how to support it

Paragraphs 4 to 6

Annex I – ToR  
AHTEG

## Continuation of the 9/13 process

Paragraph 7

## Secretariat's tasks intersessionally with regards to RARM

8. We expect the Secretariat to: (a) organize the AHTEG meetings, (b) make the Online Forum happen, (c) summarize the input from para 5 and 6 and (d) continue capacity building

## Reaction to past AHTEG work

Paragraphs 1 to 3

## Proposed future AHTEG work and how to support it

Paragraphs 4 to 6

Annex I – ToR  
AHTEG

## Continuation of the 9/13 process

Paragraph 7

## Secretariat's tasks intersessionally with regards to RARM

Paragraph 8

## Procedural choreography

9. A SBSTTA should check the AHTEG work intersessionally and recommend further actions to COP-MOP 13

## Reaction to past AHTEG work

Paragraphs 1 to 3

## Proposed future AHTEG work and how to support it

Paragraphs 4 to 6

Annex I – ToR  
AHTEG

## Continuation of the 9/13 process

Paragraph 7

## Secretariat's tasks interessionally with regards to RARM

Paragraph 8

## Procedural choreography

Paragraph 9

!

# Building a position on RARM

# Building a position on RARM

Avoid hindrances for national policy

Maintain the credibility of the  
Cartagena Protocol

Capacity building for those countries that need it

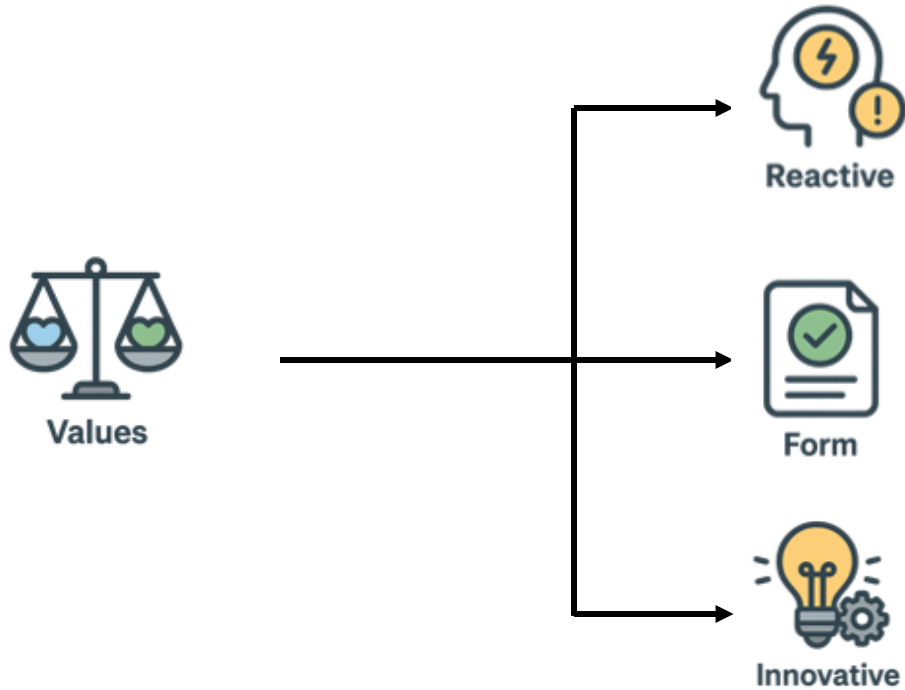

## **What is it you want to achieve within this Agenda Item?**

Support on a specific national  
RARM issue

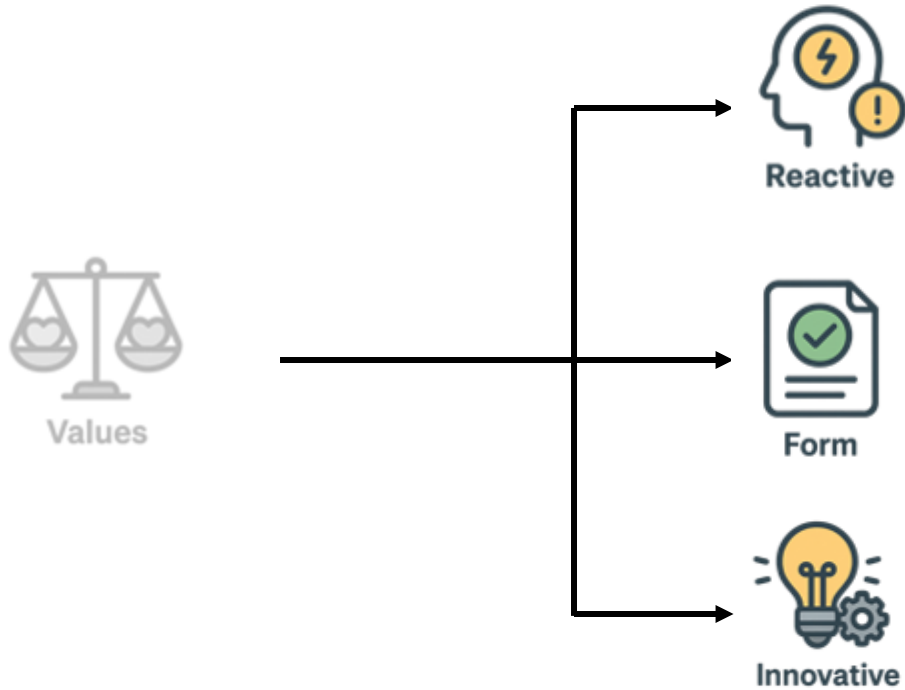

Create pressure on other  
Ministries

Stimulate exchanges between Parties

# Building a position on RARM

# Building a position on RARM

Possible Party actions at SBSTA

# Building a position on RARM

Form

## CP 11/7

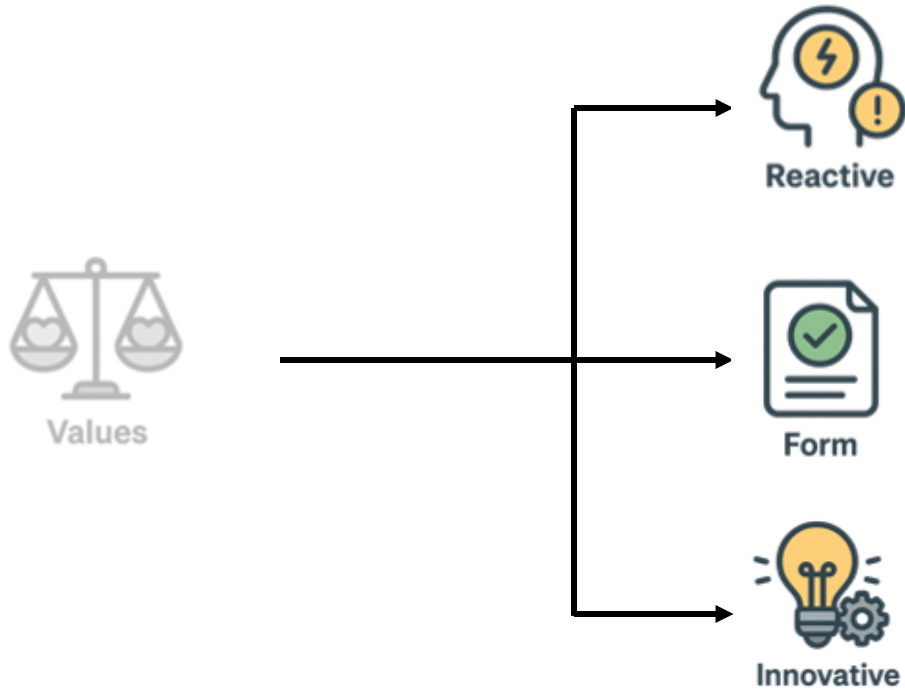

7. Decides to establish an ad hoc technical expert group on risk assessment, with the terms of reference contained in the annex to the present decision, **tasked with the evaluation of the needs and priorities identified by Parties through the submission of the information requested in paragraph 8 below;**

## SBSTTA Document 27-6

4. *Decides* to establish a **new** ad hoc technical expert group on risk assessment, with the terms of reference contained in the annex to the present decision;

# Building a position on RARM

Possible Party actions at SBSTA

# Building a position on RARM

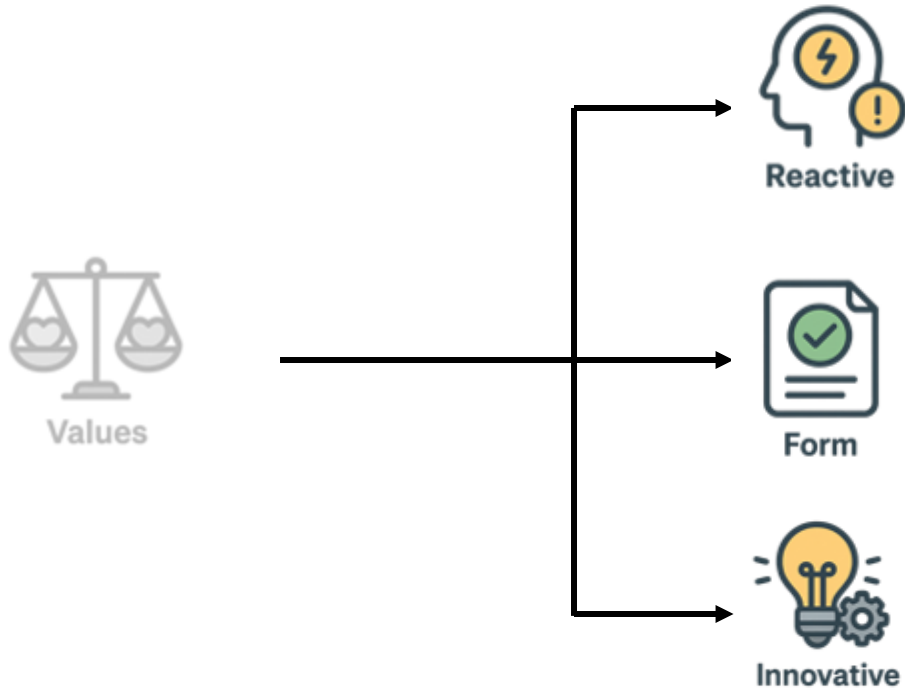

## **An example from SBSTTA 26:**

[6. Also calls for the consideration of the related issues set out in the additional voluntary guidance materials, including traditional knowledge, innovation and practices of indigenous peoples and local communities, when using the voluntary guidance materials;]

Possible Party actions at SBSTA

# Building a position on RARM

**Reactive**

(Usually main focus  
of negotiations)

**Quality of intersessional work**

**Scope of work for the AHTEG**

**Way of working to draft the voluntary guidance  
materials/technical notes**

**Continuation of the 9/13 process**

**Capacity building activities**

## Quality of intersessional work

- Do we want to welcome the AHTEG meeting outcomes?

Scope of work for the AHTEG

Way of working to draft the voluntary guidance materials/technical notes

Continuation of the 9/13 process

Capacity building activities

Quality of intersessional work

## Scope of work for the AHTEG

- What do we think about the topics prioritized by the AHTEG for additional voluntary guidance and technical notes?
- What do we think about the number of topics within the scope?

Way of working to draft the voluntary guidance materials/technical notes

Continuation of the 9/13 process

Capacity building activities

Quality of intersessional work

Scope of work for the AHTEG

**Way of working to draft the voluntary guidance materials/technical notes**

- What do we think about the timeframe to execute the scope (number of meetings, deadline of COP-MOP 13,...)
- What do we think about not drafting an outline anymore (cfr CP/10/10) as a basis of work?
  - Can certain topics be merged/prioritized, during SBSTTA 27, COP-MOP 12 or intersessionally?

Continuation of the 9/13 process

Capacity building activities

Quality of intersessional work

Scope of work for the AHTEG

Way of working to draft the voluntary guidance materials/technical notes

**Continuation of the 9/13 process**

- Do we think the process of 9/13 is adequately pursued?

Capacity building activities

Quality of intersessional work

Scope of work for the AHTEG

Way of working to draft the voluntary guidance materials/technical notes

Continuation of the 9/13 process

## Capacity building activities

- Are specific capacity-building measures needed to support the effective use of existing guidance, e.g. follow up on gene drives voluntary guidance materials or BCH?"?

Quality of intersessional work

Scope of work for the AHTEG

Way of working to draft the voluntary guidance materials, technical notes

Continuation of the 9/3 process

Capacity building activities
